

MAKE UP A FUN PLACE TO LIVE

1)

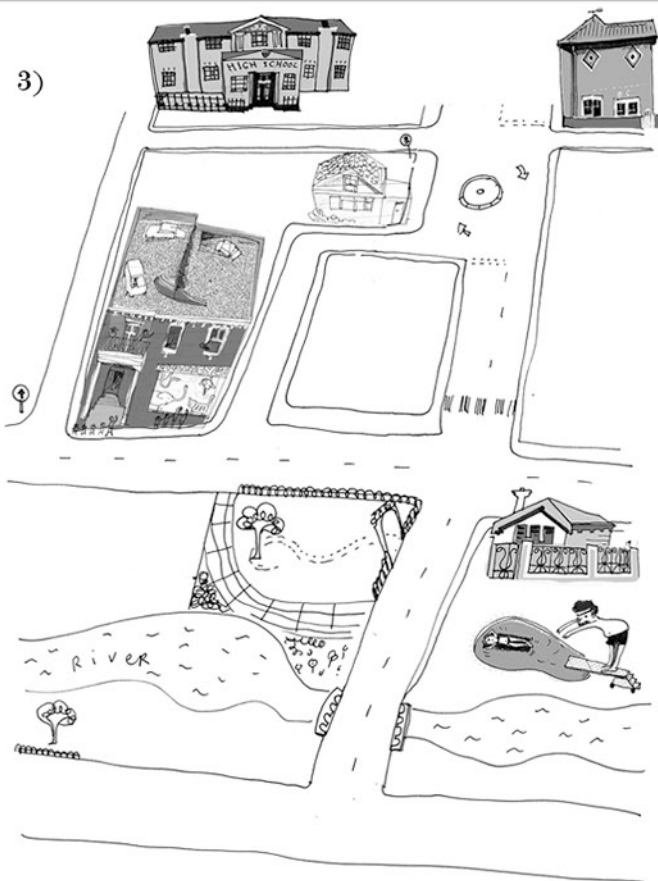

1) I've drawn a grid of roads - with blocks in between for the buildings and open spaces. There's also a legend to explain the symbols

2)

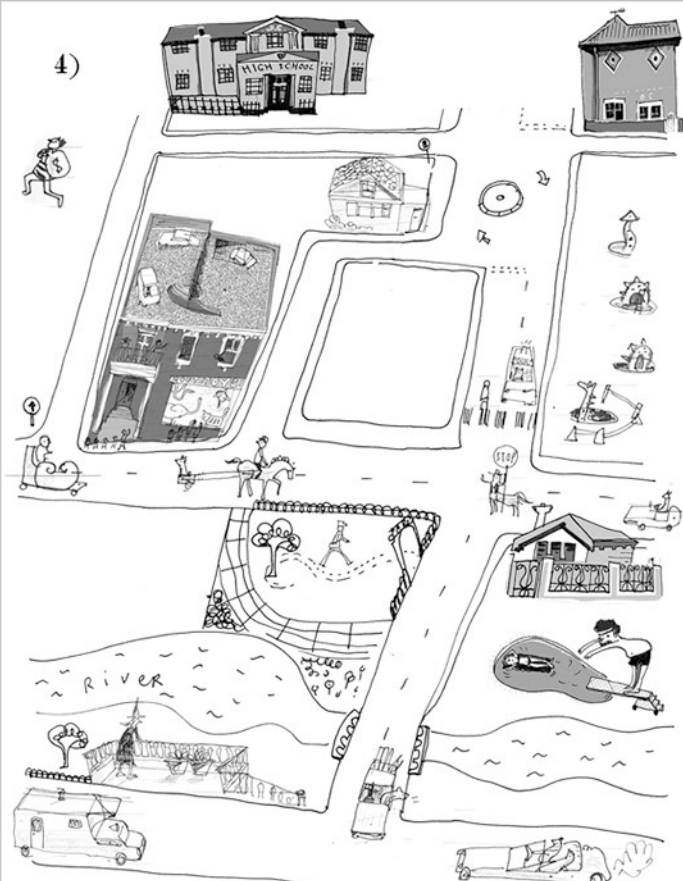

2) Add some buildings - shops, houses, schools, space station, fun fair, monster's cave...

3)

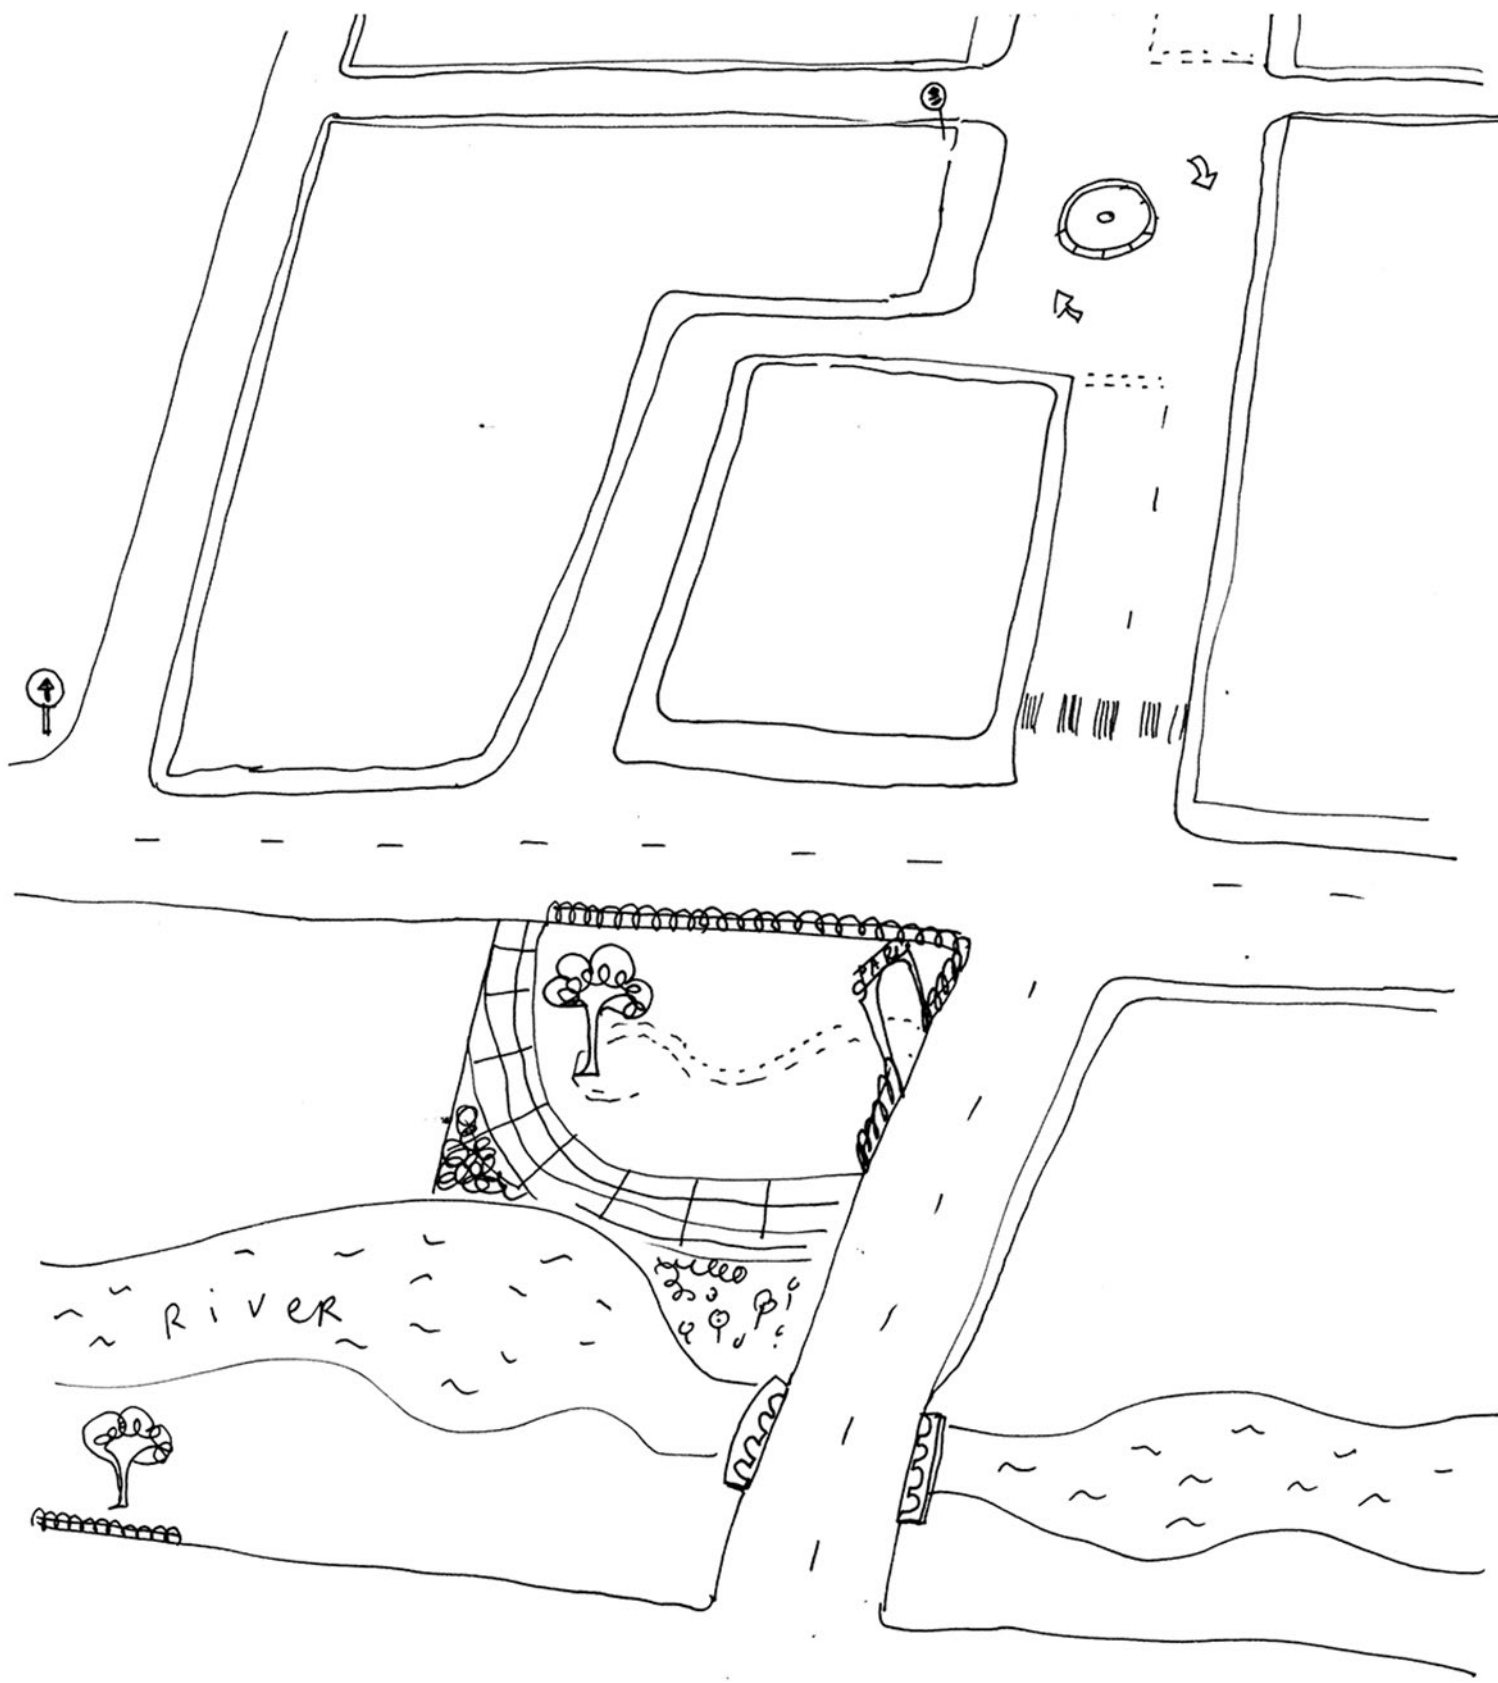

Colour in your line drawings.
What would you like in your backyard?

4)

Add some vehicles and characters ... have a nice little story as you make your map

-  ONE WAY SIGN
-  TRAFFIC LIGHTS
-  TREES
-  FOOTPATH
-  NO ENTRY SIGN
-  PEDESTRIAN CROSSING
-  BRIDGE
